Description

A lovely very old antique pine blanket chest that dates from the mid 1800's. In good condition for its age, recently treated and stripped to the bare wood. It is now ready for waxing or painting. This chest has so much charm and character with the original carrying handles on each side, the original candle box inside the chest and original strap hinges on the lid. There is attractive panelling to the front and it stands on feet, off the floor. This chest would also make a nice alternative to a coffee table. Being such a solid heavy box, it would also work well as a shoe / boot store where you can sit upon to put your shoes on. If you would like us to paint it for you then please contact us for a quote. Height 19.5", width 43.5", depth 24"
