Description

A very attractive Victorian pine linen press. A large top section which consists of two doors that open onto a number of shelves that are partitioned by a central panel. The double doors open fully - a great feature when accessing the cupboard. The top also has some decorative half columns. The base consists of two small drawers above two full width drawers, each with old wooden knobs. The linen press stands on lovely raised feet. This particular linen press will look very nice once wax polished. It has recently been stripped exposing a lovely bare wood. The top separates from the base for delivery. Please let us know if you'd like us to take the shelves out and replace with a new brass hanging rail. It is plenty deep enough to hang clothes in.
