Description

Superb Omega solid 18ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 342 fully automatic movement. An Omega "bumper" is a vintage Omega that has a "bumper" automatic movement rather than a full rotation rotor automatic. The oscillating weight makes a partial rotation before "bumping" into a cushioning spring, it is extremely rare to find this in a heavy solid 18ct gold case. The professionally restored dial with gilt numerals and baton markers is in mint unmarked condition. It has its original gilt hands. It also the Omega symbol on the original winding crown and a genuine Omega buckle has been fitted. It has been professionally serviced and a new glass has been fitted and is in exceptional condition. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new high quality presentation box. The solid 18ct gold case is fully hallmarked. It comes complete with a new premium quality chestnut brown leather strap. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that unde...
