Description

Antique early Victorian mahogany writing table desk in excellent condition & full of character, dating from the 1860's period. It has a hand coloured tooled leather writing surface & has two drawers with turned bun handles. The legs are boldly turned & have brass cupped casters. This desk has a very strong look & does have some old markings within the wood, which in my opinion only add to the original look. Please don't buy this if you like your antiques looking new. Width - 42", 106 cm Depth - 20", 51 cm Height - 31", 78 cm Knee height - 24", 61 cm
