Description

A super dining table that seats 10- 12 people. 10 dining chairs can easily be placed under the table as none of the legs are in the way. The 2 legs at either end are far enough apart for a chair to fit between them and the other legs are positioned well inside the table. The table comprises 2 ends which have a leaf attached and a central leaf which can be removed entirely. The last photo shows the table without the central leaf so it seats 8 people. It is in lovely condition. 29" high 112" when fully extended 48" wide
