Dimensions

Height = 81 cm (31.9")

Width = 188 cm (74.0")

Depth = 52 cm (20.5")

Description

An late 17th century oak Dresser base of unusual form, comprising of three drawers over two cupboards and a large central panel. The Dresser has a deep molded theme, exhibiting heavy molded borders to the drawers, cupboards, central panel, top and bottom rails. The dresser has had some wood worm in the past as furniture of this age nearly always does. However it is in fantastic condition and has a superb patina and lovely figure in the timber.
