Description

Very unusual antique multi-functional occasional table in walnut with a rotating section below the round top. It dates to around the 1840's period & is in excellent original condition. It has a platform base with casters underneath. There is a gilt trim on the edges of each section which has mellowed nicely with age, as has the rest of this table. The most unusual part of this item is the adjustable candle holder, which rotates right around & also can be adjusted in height. Width – 20", 51 cm (25.5", 65 cm to candle holder) Depth – 20", 51 cm Height – 27", 69 cm (32", 81 cm top of candle stick)
