Description

Set of 4 early C20th Italian carved giltwood 3-branch wall-lights or sconces . Smart set of 4 carved giltwood wall-lights each fitted with 3 branches . The deeply carved oval backs with stylised leaf carving and surmounted with an integral carved loop ring with a rosette-headed 'fixing' within , giving the illusion of the hanging fixture. The edge of the oval backs with beaded 'split-pearl' carving . The branches with shaped terminals and leaf-carved knozzles. The gilding has a good period-style aged patina. Need re-wiring and some of the 'candle' sleeves deficient and distressed. H 14" W 7" D 10" Italy c.1920
