Description

1920s Nirvana International pocket watch with chain. The watch has a 15-jewel stem-winding movement which is working nicely. The movement is signed Nirvana International. Nirvana Watch Company was a brand name used by C Robert & Cie of La Chaux de Fonds. The company was listed from 1920 to 1925. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold filled and was originally 'guaranteed to wear 10 years'. The case has three shallow indentations to the back but overall is in good condition for its age. The acrylic lens is in good condition. The white enamel dial has blued steel hands, a subsidiary seconds dial and an outer minute track. There is a very short hairline between the centre and the top of the sub seconds dial, barely visible to the naked eye. The watch comes on a single albert which measures 26.5cm long including the T-bar and the clasp. The watch and chain will be sent in a new presentation box. Free worldwide shipping
