Description

A stunning late nineteenth century jewellery box made from thick bevelled glass panels with the top panel with additional decorative cutting. The fittings have a beautiful aged patina, a mix of silver and gold gilding which looks exquisite on the stylised Art Nouveau fittings. The lid fits well and once opened, it is a joy to see the original tufted silk pad in the base (some wear commensurate with age). Dating to c.1880, it remains in excellent condition. 5" x 3 3/4" x 3 1/2" tall. Item ID:39965A FREE Worldwide Registered Airmail Directly From London, England
