Description

Very Large Japy Freres Gilt Brass Rococo Clock Set. ~ French - Circa 1880 ~ ~ Excellent condition, fully overhauled & working ~ ~ A stunning and very large Rococo clock set, gilded brass in beautiful original, clean and bright condition. The movement is by the famous maker Japy Freres and has the maker's 'Grande Medaille D'Honneur' mark on the movement backplate. The styling is classic Rococo; flamboyant scrolls, foliage, acanthus leaves and shell motives are beautifully modelled. Below the dial are musical motifs, these are also repeated on the candelabra bases. Candelabra stand over 30" in height and are complete with the original snuffers. Each has 5 branches, modelled as twirling foliage and 'C' scrolls. The dial is enamel on copper, cream background with blue lettering. It is complete with the original finely fretted gilt brass hands and the Rococo bezel is fitted with convex glass. The French movement is by Japy Freres and is of very high quality. Our clockmaker has completely overhauled the movement and tested it to ensure trouble free running. Pendulum is original. It runs for 8 days on one wind and strikes the hours and halves on a bell.
