Description

Lovely French cherry wood extending dining or kitchen table with parquet top and two pull out leaves, circa 1920. The table is a great size, when closed, it's a comfortable 6 seater, but you can pull out the leaves to seat 8 in comfort, but 10 at a push! Good original table and in good condition, some signs of age and use, but nothing of any concern, just character to the top. Well carved scrolls to the base of the cabriole legs and carved serpentine frame. I do have a sideboard available and also a set of 8 chairs available that could make up a really nice dining set if you are interested...let me know and can work out a price for the lot! Measuring: 30 1/2" / 78cm high 39 1/2" / 100cm wide 99" / 252cm long when fully extended 60" / 152cm long when leaves tucked away 24 1/2" / 61.5cm height from the floor to the underside of the table for leg room Delivery to most England, Wales and Scotland addresses for £75, but please send me your postcode if you are remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
