Description

A particularly fine quality late 19th century coromandel DECANTER BOX in mint condition. The brass-bound box itself is of beautifully figured coromandel wood with recessed brass handles to the sides. It opens to reveal the set of four large decanters with four glasses housed within the lid. The plush velvet lined front drops down (for serving) and all the decanters retain their original numbered stoppers. This is a very good one indeed! All dimensions 10.5ins (27.75cms).
