Description

A vintage 1930s Tempo pocket watch. The watch has a stem-winding movement which is ticking away nicely and the time keeping is good. The watch measures 46mm diameter excluding the winding crown and the loop. The gold filled case has general light surface marks from use but overall is in nice condition. The watch glass is in good condition. The gold coloured harlequin dial is signed Tempo with Swiss Made at the bottom, it is in its original finish and in good condition with just a little marking. The hands are a particularly handsome feature, and there is a subsidiary seconds dial and an outer minute track. The watch will be sent in a new presentation box. Free worldwide shipping
