Description

Very attractive 1930s Art Deco Modernist clock. Wind up mechanical movement which keeps very good time. Features a lovely blue tinted mirrored dial face with gilt numerals and hands all of which is supported on a resting chrome plinth. Condition is way above average, the chrome is very clean and bright with no tarnishing or pitting. The mirror dial is free from scratches and chips and shows only minor spotting to small areas around the edge. Very sophisticated and glamorous clock we know the new owner will love.
