Description

A fabulous boxed silver set for serving dessert or afternoon tea. This delightful example, comprises a large bowl fruit or dessert server and a cake/pastry slice. It is most unusual to find these sets, still complete and in the original box. The two pieces are of superb quality and gauge and are in the sought after Queen Anne pattern. The serving spoon has a large fluted bowl with a gilded interior. Cake or pastry servers are very rare in English hallmarked silver, which is curious as we are the Nation of the afternoon tea ! This example has beautiful floral and foliar engraving to the blade, front and back. A superb example, both decorative and practical. Dimensions below.
