Description

Superb matching pair of English 1930s Art Deco bedside cabinets or tables. The figured maple veneers are a real delight on these cabinets and obviously had no expense spared with first crafted. The bases are in stepped and ebonized and work perfectly to contrast with the blonde bird's-eye maple. Two generous sized drawers that open and close effortlessly have plenty of storage for all your needs. The tops are book paged veneered. We have had both cabinets through our workshops and come to you in excellent condition and ready to grace your home.
