## Description

This antique brass stand consists of three triangular shaped trays fixed into a three legged stand. It's very stylish & looks to me like it's from the Arts & Crafts period, which is late Victorian. It also bears the makers mark engraved into the base (see image). The maker was Samuel Heath & Sons. I presume it's actually a cake stand & is in lovely original condition. This stand has many fine details, so enlarge all the images. Width – 14?, 35 cm Depth – 14?, 35 c Height – 33.5?, 85 cm
