

SA51372

Antique English Sterling Silver Novelty Sugar Tongs or Nips - Wishbone

Price

Sold**Item Reference: SA51372****Date of manufacture: 1910**

Description

Always highly collectible, these solid or sterling silver sugar tongs were made in the form of a wishbone. They are sprung and push together to lift the sugar cube and spring back to their original form. They are hallmarked for Birmingham 1912 together with the makers mark J S & S for James Swann and Son. A perfect addition to your collection or an elegant little server for cubed sugar, ice, fudge or chocolates. Excellent condition and measuring 3" in length x 1 3/4" in width. Item ID: 31283 ----- FREE Registered Worldwide Airmail Included; Insurance Optional.

Internal Ref: 31283
