Description

A beautiful large mahogany Linen Press dating from the late 19th Century. It has two nicely panelled cupboard doors that open to a shelved interior with the original linen slides. This sits atop two short and two long drawers with turned knobs on turned bun feet. It is in very good original condition. The interior is clean and tidy and the drawers run smoothly. All the knobs are original and the mahogany has a wonderful rich patination and there are no major damages to the exterior. There is slight fading on the sides and a minor shrinkage split on the side of the base but nothing detrimental and the whole piece displays beautifully. The best description comes from the pictures so please look at them all carefully and if you have any questions please ask.
