Description

Edwardian oak desk chair Here we have to offer you, an Edwardian oak desk chair with a multiple slat back. This chair has a overstuffed seat, covered in fine antiques red leather. Each brass securing stud, is tapped in individually not only making the leather secure in place but they also give a wonderful look. This desk chair was made circa 1910 and stands on fine turned legs to the front and the usual square lightly splay legs to the rear. This oak chair will compliment any desk, and because of the way the chair has been designed, it is so comfortable to sit on, as you work at your desk. Imagine the envy of your family and friends as they admire this lovely looking Edwardian chair 59cms widest (23ins) 59cms deep (23ins) 84cms high (32 1/2ins) 46cms seat depth (18ins) 47cms seat width (18 1/2ins) 46cms seat height (18ins) Mainland UK delivery £60+ Vat PRICE MATCHING Antiques are unique and it is impossible to price match in the normal way.
