Description

Vintage, silver - mounted, leather stationery folder. In light brown soft leather on the outside, dark Morocco leather to the inside, and silver mounts to the corners, the exterior is monogrammed in typical font-style of the time. There is some light "character" staining/marks here and there, but not unsightly, which only adds to the charm. Somebody has loved and used it! The condition is good and will make a charming gift. The notepaper shown in the images is doubtless not original, but we are pleased to leave it in the folder for you. London. 1921. Padley, Staniforth & Co. 25cm x 19cm x 2cm
