Depth = 18 cm (7.1")

## Description

A fine example of these ever popular wall clocks by the World renowned maker GUSTAV BECKER. The nicely polished mahogany case, with quarter book-matched back panel, has a deep, rich, age related patina. The 2 piece, 8"dia. dial has black Roman numerals and interspaced red fluer-de-lis. It has nicely cut hands and a subsidiary seconds dial. It is signed with the "GB" logo, as is the movement. The 8 day, weight driven movement has just been fully overhauled by our BHI registered staff. It strikes on the half-hours and the hours. The brass weights and pendulum are in nice condition. A very sound and attractive clock, fully guaranteed for 12mths. All cards accepted.
