Description

Very fine, Edwardian, solid silver stamp case, in the form of a satchel with 'Stamps' embossed across the front. The hinged lid opens to allow placement of stamps inside. On the top is a loop for attachment. When the hinged lid is opened clear hallmarks are revealed for The Birmingham Assay Office and a date mark for 1905. There are also maker's marks, for the renowned silversmiths: Crisford & Norris Condition: This stamp case is in very good antique condition. The hinge works perfectly. There are some minor superficial scratches to the surface of the silver commensurate with age that I mention for accuracy (see images). Hallmarks: Birmingham 1905 Maker's Marks: Crisford & Norris Measurements: 2.6 cm x 2.8 cm approx (including loop). Weight: 5.6 grams approx
