Description

A fine quality true Viennese regulator wall clock made by Josef Lorenz in Wien, circa 1850. Josef Lorenz in Wien, Circa 1850 Maker: Josef Lorenz, Wien. Viennese master 1836 - 1856. Date: 1850 Height: 35" Width: 11" Depth: 5" A fine quality flame mahogany early Biedermeier Viennese Regulator wall clock, circa 1850 in the earlier style five light case design with an arched top. The beautifully proportioned mahogany case inlaid throughout with contrasting boxwood stringing. The one piece enamelled dial with Roman numerals, signed to the dial centre with makers names Josef Lorenz in Wien, surrounded by an ornate gilded cast pie crust brass bezel. The fully restored fine quality eight day duration movement of the highest quality with deadbeat escapement and slide beat adjustment. Polished brass cased weight, with ornate spoked pulley, polished brass bob pendulum (front and back) with polished steel rod. Finely fretted blued steel hands, of beetle and poker design. Original winding key. A beautifully made clock of elegant and restrained proportions typical of the early Biedermeier period, in fine original condition. This type of Viennese regulator wall clock were ent...
