Description

Very stylish pair of antique Swedish Biedermeier elm stools that have just been re-polished & re-upholstered in a taupe coloured fabric. They are in great condition & date from around the 1860-80's period. The side rails have a very interesting shape & they sit on sabre shaped legs. Personally, I think they would look very good at the end of a double bed, but they could have many other uses in the home. Width - 21.5 inches, 55 cm Depth - 14 inches, 36 cm Height - 23 inches, 59 cm Seat height - 18 inches, 46 cm
