Description

A handsome antique Victorian mahogany chiffonier of slim design. With scrolling arched pediment and upper shelf, above two drawers over arched panelled doors twin doors all standing on plinth base. With beautiful figuring to the mahogany. The cupboard door locks and comes with working key. Would work well in a hall.

Construction/Wood: Mahogany Condition Report: Good colour and figuring to the mahogany. The doors are a little warped. The top pediment is possibly a later addition. Some wear and old veneer mends in places particularly to the plinth base. Some old worm holes underneath. A little top heavy – would need fastening to the wall to keep sturdy.
