Description

These antique duet stools are getting quite hard to find now, because they are very popular & very useful. Most of my customers buy them to use not as piano stools, but for at the end of a bed or as a window seat. This stool is classic Edwardian from the 1900-10 period & very elegant. It's solid mahogany, very sturdy & has just been re-upholstered with a cream fabric. The seat lifts up to reveal plenty of storage space. It has swept out arms & tapered spade end feet. Width – 41.5 inches, 105 cm Depth – 13 inches, 33 cm Height – 24.5 inches, 62 cm Seat height – 19.3 inches, 49 cm
