Description

Pair of high quality solid walnut upholstered open armchairs in good condition & dating from the 1910-20's period. They are very much Queen Anne design with the typical carvings & the shepherds crook arms. They have shell carvings on the tops of the solid walnut frames, carving on the arms, plus plenty of fine carving on the tops & bottoms of the legs. The frames are sturdy & have been polished, but not over-polished, so they have plenty of originality. These chairs have a beautiful shape all over, back & front. They have just been re-upholstered with a cream fabric which is double piped on the edges. They are very comfortable & could be used in many places in the home. Please note there is a third armchair exactly the same on the site, which we are selling separately. Width - 24 inches, 61 cm Depth - 23 inches, 58 cm Height - 36.6 inches, 93 cm Seat height - 19 inches, 48 cm
