Description

1920s English Lever stem winding pocket watch. The watch has a stem-winding movement, which is working nicely. The movement has 7 jewels and is signed Warranted English. The movement is protected by an inner hinged cover. The watch measures 50.2mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison watch case company. The case has light surface marks from use but overall it is in nice condition. The watch glass is in nice condition. The dial is in lovely condition with blued steel hands, a subsidiary seconds dial and an outer minute track. The watch will be sent in a new presentation box. Price includes worldwide postage.
