Description

Antique walnut Queen Anne style drinks cabinet dating from around the 1920's period & in excellent condition inside & out. It has two cupboards & two drawers all burr walnut with a superb pattern on the doors. The doors also have etched brass hinges & the drawers have original brass handles. This cabinet has some intricate carving on the top, between the legs & on the tops of the legs. The inside has a mirrored back & a mirrored base, plus glass shelves. It's lined with sycamore & has a pull out sliding piece to serve drinks on. It even still has the original cocktail sticks. The original mirror on the back looks like it has some spotting or wear & it could be replaced, but I don't think it's that bad & adds character generally. There is also a light fitting inside at the top, which will need re-wiring for safety reasons if you want to have it working. This cocktail cabinet is of high quality & has a really nice warm colour. Width - 37 inches, 94 cm Depth - 19 inches, 48 cm Height - 62.5 inches, 159 cm
