Description

Very unusual and lovely quality mahogany combination Canterbury and coffee table, circa 1920. Works well as a centre piece coffee table, but can also work as a sofa end table too. Well made and elegant with the turned spindles to the canterbury end and standing on these lovely turned legs with original brass castors. I am due to give this a very good clean and wax polish, so most of the little knocks and bump marks will be gone, although the sun bleaching will still be visible...this would need to be fully re polished if you wanted to totally restore it, please get in touch. Two great size drawers for storage and both running well. Certainly an unusual piece and of a very good quality, will update images when polished! Measuring: 18" / 46cm high 16 1/2" / 42cm wide 33 1/2" / 85cm long Delivery to most England, Wales and Scotland addresses at £55, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
