Description

Elephant leather coffee stool Here we have to offer you this quirky stool, that also doubles as a small coffee table. The stool is covered in fine quality leather, that is secured by brass headed studs. Each stud is tapped in individually, a time consuming task but worth every minute as it gives a fantastic effect. The stool has a leg formed as an elephant to each corner, each with hand painted decoration. This is a very unusual piece and makes a fantastic conversation piece, and something for an interior decorator. This table would have been first made in the 1930's Overall width 60cms (24ins) 47cms height (18 1/2ins) UK mainland delivery £60+vat
