Real Stone Block Junior Building Set in Original Pictorial Box By Anker A very rare find indeed and in such good and nearly complete condition, the set comes in its original wooden box and the paper label on the sliding lid although a little grubby is very clear and easy to read Inside the box has 2 layers of bricks, a removable tray and many stickers and cutouts. The building blocks in the set are in different coloured stone and come in many shapes and sizes, there are also unused painted card roofs etc. The most wonderful gift for a very special child or budding builder, not to mention a rare collectors piece The box is 4" high, 15" long and 10" deep back to front TSH41 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
