Description

A mid-size gold plated Movado wrist watch, c1940. The watch has a calibre 75 hand-winding movement which is working nicely. The movement is signed with the Movado name. The watch measures 28mm diameter so although originally designed to be worn by a man, it would suit a slim wrist. The case is gold plated and it is in good condition with just a little mark to the back. The inside of the case back has the Movado logo. The lens is in good condition. The signed dial is in its original finish and it has a good vintage appearance. There is some marking as shown in the photos. The watch has a vintage leather strap. Free worldwide shipping
