Description

It's been some years since I have had a good large set of Double Nines dominoes in this top-notch case, they are certainly scarce and don't come along very often. These late Victorian dominoes or dominos are all in good condition (minor wear commensurate with age) with a handsome polished solid Mahogany storage box. The box is much more special than most, with a fall front secured by two brass catches, a good solid piece. A set of double-nine dominoes allows you to play some of the more complicated domino games. They can also be used to add variety to the simpler games, or to allow more people to play them. Dating to around 1890, a superb complete set ready to use. The box measures 13" x 3 1/2" x 3 1/4" tall. Each domino measures 2 1/8" x 1". Item ID:39983 FREE Worldwide Registered Airmail Directly From London, England
