Description

This is a very fine example of a gents wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 26.5 manual wind movement, as you can see it is in completely original condition, only the mainspring and glass have been replaced. The case is of non reflective brushed stainless steel. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new premium quality Air Force Blue military style strap although you do have a choice of straps as photographed. The watch case measures 32mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Omega collectors. The watch has been fully serviced by Alan Williams FBHI and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled ...
