Description

Antique Swiss silver pocket watch, circa 1900. The watch has a key-winding movement which is working nicely. The movement is protected by an inner hinged cover. A winding key is included. The watch itself measures 52.6mm diameter excluding the stem and the loop. The silver case has London import marks and the importers mark for George Stockwell. The case has some bruising although it is in nice condition for a 1900s piece. The watch glass is in nice condition. The white enamel dial is in good condition. The watch has gold hands and a blued steel sub second hand. The watch will be sent in a new presentation box. Price includes worldwide postage.
