Depth = 46 cm (18.1")

Description

Country House Pine Ice Box or Refrigerator from around 1890 A great find, the ice box is in the form a square chest, it stands on chastered legs, this allows the drain hole beneath to be kept clear A superb piece of Social History, this piece would be found in a Victorian House before the availability of electricity The interior is zinc lined and fully plumbed to make best use of the ice to chill the contents, the top has a double lid and strong carrying handles The fridge is made in pine with a rather worn scumble oak finish it is in excellent working order no electricity required and come with it's key The Ice Box is 25" high, 19" wide and 18" deep TSH93 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option. In the unlikely event you wish to return an item you should contact us immediately. We will then arrange for you to return it to us at the buyer's expense, the item must be returned back with us in the same condition as it left and a full refund will be issued there may be a small surcharge to Scotland please enqui...
