

SA521577

1940s Omega military pocket watch

Price

Sold**Item Reference: SA521577****Date of manufacture: 1940**

Description

A 1940s Omega military pocket watch. The watch has a stem-winding movement, 38.5L.T1, which is working nicely. The movement is signed and the serial number 10,039,801 dates it back to the late 1940s. The watch measures 51mm diameter excluding the winding stem and the loop. The case is nickel plated and is in good condition, just some rubbing to the bezel and centre section from years of use. The case back has the military arrow, or pheon, and code. The inside of the case back has the Omega logo. There is a little unevenness to the back but nothing too detrimental at all. The watch glass and signed dial are in good condition. The watch will be sent in a new presentation box. Free worldwide shipping
