Sold**Item Reference: SA521588****Date of manufacture: 1950**

Description

A gents 1950 Tissot wrist watch. The watch has a hand-winding movement, calibre 27, which is working nicely. The movement is signed and the serial number 2,377,021 dates it back to 1950. The watch itself measures 31mm diameter excluding the winding crown and the lugs so it would suit a slim wrist. The case is plated and has a stainless steel case back which is signed inside with the Tissot name. There is light marking to the case but overall the condition is good for a 1950 piece. The winding crown is a later replacement. The lens is in good condition. The signed dial is in its original finish with original feuille shaped hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
