Description

This is a golden opportunity to treat yourself to a very impressive and totally original 1930's Art Deco Italian double bed. These style of beds that scream Art Deco are very few and far between and anyone who loves this era or collects from it will know this too. The beautiful exotic veneers of heavily figured walnut add to the wow factor. The fan shaped headboard can't be mistaken for any other era and serpentine foot board shows craftsmanship at its very best. We really and genuinely can't sing the praises of this bed enough, it definitely ranks in our top 3 we've ever had. We photographed the bed in natural daytime light so you can get a true idea of it's coloring. We've had the whole bed fully and professionally restored so comes to you in excellent condition. Lastly we're also providing a custom made slatted base, so all you need is your mattress!.
