Price

Sold**Item Reference: SA521839****Date of manufacture: 1950**

Description

The watch has a Swiss 17-jewel hand-winding movement which is working nicely. The watch itself measures 32mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in very nice condition. The shaped lugs are a particularly handsome feature of this watch. The lens is in good condition. The dial is in its original finish which has aged evenly and it has a charming appearance. A new leather strap has been fitted. The watch will be sent in a new presentation box.
