Description

A good heavy quality antique French oak armoire, Circa 1800. This robe dismantles to flat pack form for easy movement. Being offered for sale is an 18th Century French armoire which would suite someone needing to use it as a fitment for a Hotel or Interior Design project. Available are the original front, sides and back pieces and further sections of wood needing to be fitted for the floor and top. If this robe had been a complete as a ready to assemble piece it would be valued at £2.5K. We are offering this piece at the reduced price due to the additional work involved in assembling the armoire. We cannot guarantee that the sections for the floor and top are complete. This is a job for an experienced carpenter or restorer. (Would need two people to reassemble) Measurements Height 72" Width 48" Depth 20" Delivery: Free UK Mainland to door only
