Sold**Item Reference: SA522999****Date of manufacture: 1960**

Description

A gents 1960 Omega wrist watch. The watch has a hand-winding movement, calibre 285, which is working nicely. The movement is signed and the serial number 17,323,845 dates it back to 1960. The watch measures 34.5mm diameter excluding the winding crown and the lugs. The case is gold plated and there is some rubbing to the plate on the lugs and behind the winding crown. The stainless steel case back has the Omega triangular stamp to the inside, together with the case reference 14726-1SC which is correct for the 285 movement. The winding crown has the Omega logo. The lens is in good condition. The signed dial has some freckling across it, and a darker patch between 12 and 1. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
