Description

Measuring 23cm across at the widest point, and 16cm in length, this very heavy and well made bronze wall pocket dates from around the late Victorian period. It has two ready drilled holes at the back for easy fixing, and the distance between the two is 14cm. It weighs approximately 1.9kgs! The photos were taken with a flash and without to show the details clearly. It has been lightly polished but not lacquered. Postage and packing within the UK mainland only is included in the price, and for remote parts of the UK or abroad, please contact us for a delivery quote.
