Description

The movement is the Omega in house designed Calibre 501 automatic with 20 jewels, which is widely regarded as one of Omega's most reliable automatics. It is in the highly desirable heavy weight solid 18ct gold case with Swiss hallmarks. The two tone dial has been fully restored so is in mint condition and a new glass has been fitted. The Omega symbol is on the crown, it has a genuine Omega buckle and it is fully marked Omega on the dial, movement and case as you would expect. The watch case measures 34.5mm in diameter not including the crown. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and highly sought after by Omega collectors. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ...
