Description

A superb large bank of 24 filing drawers dating from around 1900, each with a chromed metal handle and space for a paper label. The cabinet is labelled 'Amberg's Patent Cabinet Letter File' and each drawer has a paper filing card in the base. The internal drawer size is approximately 29cm wide x 25cm deep x 8cm tall. The cabinet is a strong and sturdy construction on four small metal castors with panelled sides and a good solid back. The drawers have been adapted to make full drawers, rather than open backed ones (see photo) which makes the cabinet more usable. The handles have also been changed at some point. The cabinet is in good condition for its age. The drawers are generally clean and tidy inside. There are some scratches on the top surface and some general marks and signs of use but nothing detrimental. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton, Devon. Regular London deliveries for £60. Nationwide delivery available, please get in touch for an accurate quote.
