Description

Matched set of 10 French Farmhouse Kitchen chairs. Very closely matched and rarely available, the style and colour of this set is delightful. These chairs are comfortable and offer good back support with a seat height of 18.5 inches. We have lightly refurbished the chairs which have been wax polished to show off the rich grain and mellow patina. As can be seen in the pictures, the differently coloured woven seats relate to the set of 4. They form a great set with plenty of character. Please note these chairs are not yet on view at M H A Antiques so call Ian on 07770 936703. delivery available to all areas..... please call for a delivery price.
