Date of manufacture: 19th Century

Dimensions

Height = 46 cm (18.1")

Width = 33 cm (13.0")

Depth = 27 cm (10.6")

Description

An interesting 19th Century terracotta bust of a woman, possibly a queen? The bust is finely made and has a nice patina, there are obvious damages, most of the crown is lost and there is a small loss to one side of the nose and a crack, which is more visible from the underneath. Although there are damages this is still a lovely sculptural piece.
